

## **Halefield Stud – Event Instructions**

## DIRECTIONS

Halefield Stud is located off the A605 between Thrapston and Peterborough

Follow directions on the next page from the A605

Halefield Stud, PE8 5BW (postcode will not get you all the way there)

Use either W3W or follow directions provided

W3w [struts.risks.gratuity](https://www.struts.risks.gratuity)

Exit A605 heading  
toward Cotterstock

Cross the river over a  
narrow bridge and onto  
Main street

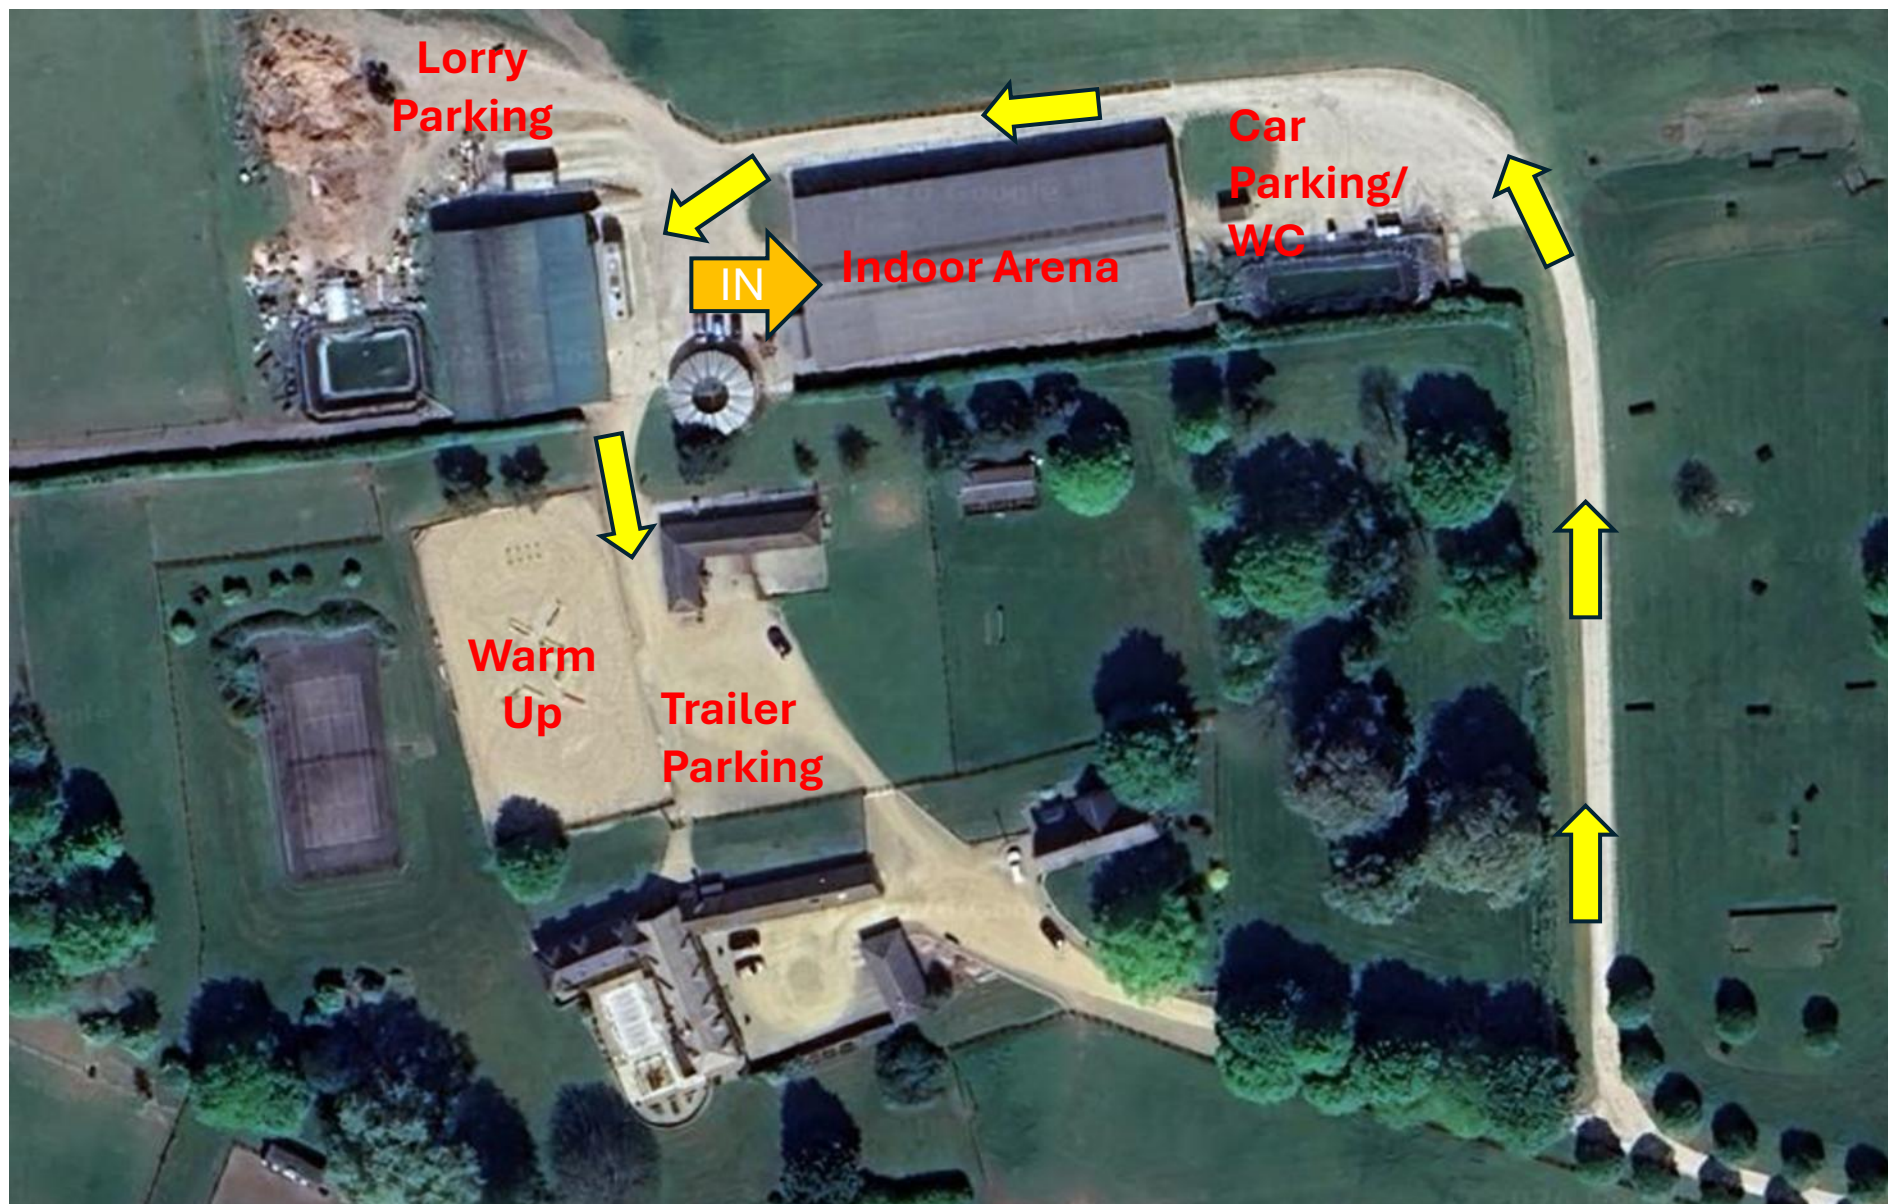

Turn right into  
Cotterstock Road for  
1.5miles

Turn left in 0.8 mile

Keep left at the next  
junction

Halefield Stud will be on  
your right hand side

Follow the drive and the  
KTS signs to parking

## **KTS TREC EVENTS – Winter Series**

All competitors are requested to review the following information to ensure the event proceeds efficiently.

### **IMPORTANT INFORMATION**

#### **DISEASE CONTROL**

Do not bring unwell horses to the event

At an event

Take your own water supply, or clean buckets if using event taps, and avoid sharing equipment

Wash & sanitise your hands after touching other horses

Prevent contact with any other horses off your yard

Avoid grazing your horse at the venue or use an area away from other horses

Make the event organiser aware if your horse becomes unwell.

#### **VACCINATIONS**

Passports for all horses must be checked to verify that vaccinations are current before unloading at the competition. On-the-day passport checks will not occur. Copies of passports should be sent to [admin@trecgb.com](mailto:admin@trecgb.com) for registration on the flu database. A registration number will be issued; this should then be sent to [ktstrec@gmail.com](mailto:ktstrec@gmail.com). Refer to the latest guidance from TREC GB regarding vaccinations at [www.trecgb.com](http://www.trecgb.com). Competitors must carry passports with them.

#### **GENERAL EVENT INFORMATION**

Hard hats are required for all classes, including in-hand. The relevant hat standards can be found in the TREC GB rule book: <https://trecgb.com/rules/>

All sport rules, including datasheets for PTV obstacles, are available at <https://trecgb.com/rules/> and <https://trecgb.com/obstacle-data-sheets/>. [Obstacle Data Sheets - TREC GB](#)

Vehicles should remain locked when unattended.

All droppings and spilled hay must be cleared and removed by competitors.

Please leave the venue promptly after your class. Results will be posted at the mobile hut shortly after each class ends.

Emergency contact: Angela – 07841 687808

Safeguarding details are available on the notice board.

## **Refreshments**

Tea, coffee, hot drinks, soup, and cake will be available in the indoor arena. Please bring their own mugs and plates.

## **Warm Up (Outdoor Arena)**

The arena is available for warm-up. It may become crowded, and there may be young or inexperienced horses present. To ensure safety:

Pass left to left.

Observe tail ribbon signals:

Red indicates the horse may react negatively if approached from behind.

Green signifies a young or novice horse.

Announce if you intend to jump, and only jump where flagged (red on the right).

## **Competing**

Due to a full schedule, timely participation is essential.

- Follow the site plan route from the warm-up area to the indoor arena.
- Stand by the indoor arena entrance and avoid the livery stables while waiting for your round.
- Leave the arena promptly after finishing.
- Course walks are limited to 10 minutes; vacate the arena as requested.
- For in-hand, novice, and newcomer classes, another horse may be present in the arena to help settle yours if needed.
- If unable to attend, inform the organisers at 07841 687808.
- The box park may be busy; please keep horses in the warm-up arena between classes.

## **KTS Winter League**

The winter league will take place again this year, with prizes and trophies awarded at the Spring AGM. Membership prior to the competition is required for qualification.
